Auditor's Responsibility

7. Our responsibility, for the purpose of this certificate is to verify the particulars contained in the Statement, on the basis of the Unaudited financial results and other relevant records and documents maintained by the Company and to certify security cover ratio is minimum hundred percent as per the minimum requirement stated in SEBT Regulations.
8. We have reviewed the Financial Statements for the quarter ended December 31, 2025, and year to date results from April 01, 2025, to December 31, 2025, prepared by the Company pursuant to the requirements of Regulation 52 of the SEBT (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, and issued an unmodified conclusion dated February 11, 2025. 10. We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, "Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements".
11. Our scope of work did not involve us performing audit tests for the purposes of expressing an opinion on the fairness or accuracy of any of the financial information or the financial results of the Company taken as a whole. We have not performed an audit, the objective of which would be the expression of an opinion on the financial results, specified elements, accounts or items thereat: for the purpose of this report. Accordingly, we do not express such opinion.
12. A limited assurance engagement includes performing procedures to obtain sufficient appropriate evidence on the applicable criteria, mentioned in paragraph 7 above. The procedures performed vary in nature and timing from, and are less in extent than for, a reasonable assurance engagement. Consequently, the level of assurance obtained is substantially lower than the assurance that would have been obtained had a reasonable assurance engagement been performed. Accordingly, we have performed the following procedures in relation to the Statement:
- Obtained and read the Debenture Trust Deed and the Information Memorandum in respect of the secured Debentures and noted the security cover percentage required to be maintained by the Company in respect of such Debentures, as indicated in **Annexure 1** of the Statement.
 - Traced and agreed the principal amount of the Debentures outstanding as on December 31, 2025, to the reviewed financial result of the Company and unaudited books of account maintained by the Company as at December 31, 2025;

- c. Obtained and read the particulars of security cover required to be provided in respect of Debentures as indicated in the Debenture Trust Deed and the Information Memorandum*.
- d. Traced the value of assets indicated in **Annexure 1** of the Statement to the unaudited financial result of the Company and unaudited books of account maintained by the Company as on December 31, 2025.
- e. Obtained the list of security created in the register of charges maintained by the Company and 'Form No. CHG-9' filed with Ministry of Corporate Affairs. Traced the value of charge created against assets to the security cover.
- f. Obtained the list and value of assets placed under lien or encumbrance for the purpose of obtaining any other loan and determined that such assets are not included in the calculation of security cover in respect of the Debentures.
- g. Examined and verified that the Company has complied with all the covenants in respect of its listed non-convertible debt securities wherever applicable.
- h. Examined and verified the arithmetical accuracy of the computation of security cover indicated in **Annexure 1** of the Statement.

*The management has provided a Deed of Hypothecation, under which certain assets were hypothecated. Due to a change in lending portfolio and continuous borrowing these assets have been replaced with other assets meeting the eligibility criteria. Based on management's representation, the revised assets have been duly considered for the security cover and the necessary intimation has been given to the debenture trustee.

We have relied on management's representation regarding the underlying assets and their valuation for the purpose of the security cover certificate.

Conclusion

13. Based on the procedures performed by us, as referred to in paragraph 12 above and according to the information and explanations received and Management representations obtained, nothing has come to our attention that causes us to believe that the Company has not:
 - a. maintained requisite security cover or security cover as per the terms of the Information Memorandum and Debenture Trust deed.
 - b. extracted, computed the particulars and the security cover ratio as disclosed in the statement accurately.
 - c. complied with all applicable covenants as per the terms of Information Memorandum and Debenture trust deed for securities this certificate is issued.
